Stationery World Australia is an Australian-owned independent dealer of stationery & office products. As one of Australia's leading B2B office suppliers, our business caters to a broad range of customers including SMEs, government sectors, educational institutions and personal customers. We stock and procure an extensive range of stationery, office supplies, technology and furniture products, in addition to complete office solutions such as canteen, janitorial, first aid supplies. As an independent store owner, our point of difference lies in supplier relationships, trading terms & buying power. As a Stationery World customer, we ensure the best selection of brands and solutions, with access to over 60,000 products across every office category.

Our aim is to provide customers with the best range of products and an unrivaled level of personal service. We're here to make stationery and office products supply easy.
